Stop Violence Faster, Safer, & Easier
With Your Drones

Work Smarter, Not Harder

Precisely engage criminals with deterrent tools from a safe distance

Prevent injuries caused by ordinary close-range enforcement methods

Pilot drones from anywhere with a live pilot or pre-set flight paths

Dispense Smoke & Aerosol Deterrents More Safely

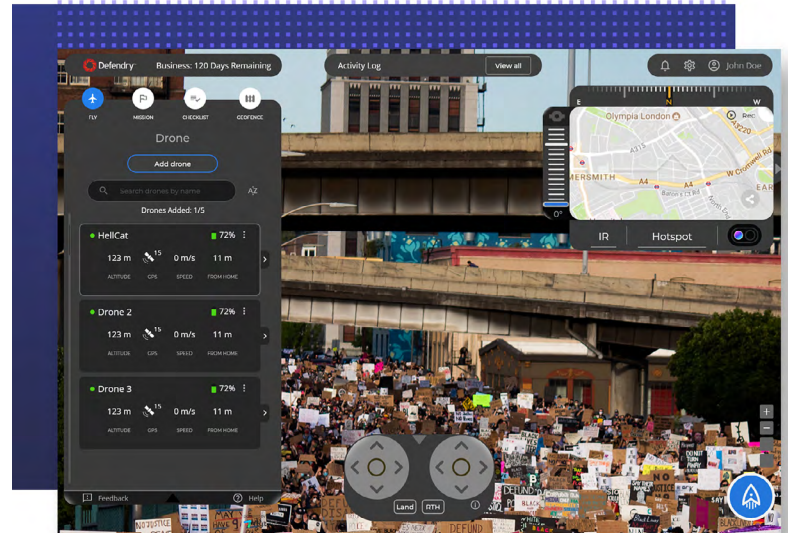

- ✓ **Precisely target violence** by dispensing crowd smoke (OC, CS, or colored) or aerosol spray (OC, CS, inert, or marking)
- ✓ **Engage crime from a safe distance** (up to 600 yards)
- ✓ **Prevent injuries** by spraying gas & aerosol instead of throwing or firing canisters
- ✓ **Eliminate canister throwback**
- ✓ **Decrease liability** by eliminating gas canister injuries

**Use only in compliance with federal, state, and local requirements.*

Fly Drone Missions From Anywhere

- ✓ **Pilot multiple drones remotely** in multiple places at once
- ✓ **Optimize efficiency** by centralizing a remote piloting team in one location (rather than training and deploying lots of on-premise pilots)
- ✓ **Use the Precision Aerial Dispenser** anywhere with cellular or WiFi service (*COMIGN COON*)
- ✓ **Set flight paths** and let the AI-pilot fly them for you!
- ✓ **Capture video evidence** of crime, and automatically store it in the cloud

**Use only in compliance with federal, state, and local requirements.*
